MAINE

This Schedule of Benefits states any Benefit Limits and Member Cost Sharing amounts you must pay for Covered Benefits. However, it is only a summary of your benefits. Please see your Benefit Handbook for details. Your Member Cost Sharing may include a Deductible, Coinsurance, and Copayments. Please see the tables below for details.

There are two levels of coverage: In-Network and Out-of-Network.

In-Network coverage applies when Covered Benefits are provided or arranged by your Primary Care Provider (PCP) in the Service Area, or provided by a Plan Provider outside of the Service Area.

Out-of-Network coverage applies when Covered Benefits are provided by a Non-Plan Provider or a provided by a Plan Provider without a Referral when a Referral is required. If a Non-Plan Provider charges any amount in excess of the Allowed Amount, you are responsible for the excess amount.

In a Medical Emergency you should go to the nearest emergency facility or call 911 or other local emergency number. A Referral from your PCP is not needed. Your emergency room Member Cost Sharing is listed in the tables below.

Office Visit Cost Sharing Levels

Office visit cost sharing may include Copayments, Coinsurance, or Deductible amounts, as described throughout this Schedule of Benefits. There are two types of In-Network office visit cost sharing that apply to your Plan: a lower cost sharing, known as "Level 1," and a higher cost sharing known as "Level 2."

Level 1 applies to covered outpatient professional services received from the following types of providers: all Primary Care Providers (PCPs); obstetricians and gynecologists; licensed mental health professionals; certified Nurse midwives; and Nurse practitioners who bill independently.

Level 2 applies to covered outpatient professional services received from specialty care providers. Your Plan may have other cost sharing amounts. Please see the benefit table below for specific cost sharing requirements.

Access to Lower-Priced Services

If you receive specific Covered Benefits from certain Non-Plan Providers located in Maine, New Hampshire, and Massachusetts, you may be able to receive credit for your payment for services provided by such Non-Plan Providers toward your Deductible and Out-of-Pocket Maximum. The specific Covered Benefits include services within the following categories:

- Physical and occupational therapy services
- Radiology and imaging services
- Laboratory services and x-rays
- Infusion therapy services

Go to HPHConnect for more information on this program.

Covered Benefits

Your Covered Benefits are administered on a Calendar Year basis. Your Member Cost Sharing will depend upon the type of service provided and the location the service is provided in, as listed in this Schedule of Benefits. For example, for services provided in a Physician's office, see "Physician and Other Professional Office Visits." For services provided in a Hospital emergency room, see "Emergency Room Care," and for outpatient surgical procedures, please see "Surgery – Outpatient."

When you receive a service at your home (other than home health care), your Member Cost Sharing will be the same as when the service is provided in an office or facility. For example, if you have a physician visit in your home, see "Physician and Other Professional Office Visits." If you have blood drawn at home, see "Laboratory, Radiology and Other Diagnostic Services."
